"'Quand Meme' - 'Onward, In Spite of Everything'-has always been my motto, and all the world knows that I have never failed to live up to lt. I feel more than happy to recommend Nuxated Iron because I personally know and appreciate the marvelous results which it gives. I am sending hundreds of bottles to our valiant soldiers to make them still stronger

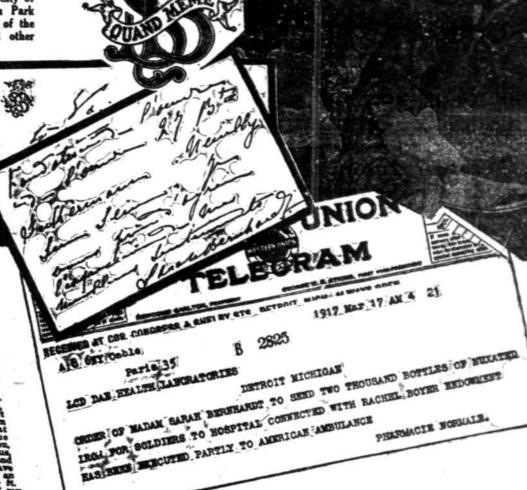

in this desperate struggle and to build them up into better citizens after the war, by giving them increased energy and vitality."

Phrakbernhard.

When shown the above letter by Mme. Bernhardt, the Former Health Commissioner of Chicago, Wm. R. Kerr. said: "From my own experience with Nurated Iron, I feel that it is such a valuable remedy, that it ought to be used in every hospital and prescribed by every physician in this country. As Health Commissioner of the City of Chicago, I was importuned many times to recommend different medicines, mineral waters, etc. Never yet have I gone on record as favoring any particular remedy, but I feel that in Nurated Iron an exception should be made to the rule. "I have taken Nuxated Iron myself and experienced its health-giving, strength-building effect, and in the interests of the public welfare I feel it my duty to make known the results of its use. I am well past my three score years and want to easy that I believe that my own great physical activity is due largely today te my personal use of Nuxated Iron, and if my endorsement shall induce anaemic, nerveus run-down men and women to take Nurated Iron and received I shall feel greatly gratified that I made an exception to my life-long rule in recommending it. In indorsing Nuxated Iron I do so by reason of my man owes to his fellow beings."

"DIVINE SARAH" DEFIES U-BOAT, ARRIVES ON THE S. S. "ESPAGNE"

Specially posed photograph of Sarah Bernhardt, noted actress, with her grand-children. The "DIVINE SARAH" remarked that the Germans were unspeakable and the courageous, high-hearted French would punish them properly.

When she was asked whether she was nervous when word was received of the proximity of the German U-boat, she replied, "Bah, my star is ascendant. To me what can happen?"

proximity of the German U-boat, she replied, "Bah, my star is ascendant. To me what can happen?"

Mme. Bernhardt is here for another tour. She is so old that it does not seem possible, and yet her glance is fiery, her voice still resonant and sonorous. She was made a member of the Legion of Honor in 1914, and in the same year in Paris won one of her greatest triumphs in Tristan. She says she is happy to recommend Nuxated Iron as she personally knows and appreciates the marvelous results which it gives, and as a proof of her great confidence in it she has directed that two thousand bottles be sent to a hospital for French wounded soldiers in which she takes a special interest.
